

Domaines Chevaliers - Salgesch

Domaine des Chevaliers, which stands in the heart of the Salgesch vineyards, has always been an innovative and forward-thinking winery.

Founded in 1936 by Oswald Mathier, a pioneer in the field of **viticulture**, **Domaine des Chevaliers** is now managed by Patrick Z'Brun, who embodies the same values as his predecessor.

Its modern, elegant **wine bar** is one of the **winery's** special features. It holds up to 100 people for **wine tastings** that feature, among others, the Sherpa collection **blends**, which pay tribute to those men of the Himalayas who guide and support mountaineers in their ascent of Mount Everest.
